The European Standard EN 14333-1:2004 has the status of a  
British Standard

ICS 67.080.01

## National foreword

This British Standard is the official English language version of EN 14333-1:2004.

The UK participation in its preparation was entrusted to Technical Committee AW/-/3, Horizontal analysis, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

### Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard does not of itself confer immunity from legal obligations.**

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 15 October 2004

### Summary of pages

English version

**Non fatty foods - Determination of benzimidazole fungicides  
carbendazim, thiabendazole and benomyl (as carbendazim) -  
Part 1: HPLC method with solid phase extraction clean up**

Aliments non gras - Détermination des benzimidazoles  
antifongiques : le carbendazime, le thiabendazole et le  
bénomyl en tant que carbendazime - Partie 1: Méthode  
CLHP avec purification par extraction en phase solide

Fettarme Lebensmittel - Bestimmung der Benzimidazol-  
Fungizide Carbendazim, Thiabendazol und Benomyl (als  
Carbendazim) - Teil 1: HPLC-Verfahren mit Reinigung durch  
Festphasenextraktion

This European Standard was approved by CEN on 29 July 2004.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
