National foreword

This British Standard is the UK implementation of EN ISO 1833-8:2010. It is identical to ISO 1833-8:2006. It supersedes BS 4407:1988 which will be withdrawn on publication of the other parts of the BS EN ISO 1833 series.

The UK participation in its preparation was entrusted to Technical Committee TCI/80, Chemical testing of textiles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
