National foreword

This British Standard is the UK implementation of EN 61196-10:2016. It is identical to IEC 61196-10:2014, incorporating corrigendum February 2016. It supersedes BS EN 61196-2:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/46, Cables, wires and waveguides, radio frequency connectors and accessories for communication and signalling.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
