National foreword

This British Standard is the English language version of EN 1014-3 : 1997. It supersedes DD ENV 1014-3 : 1995, which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee B/515, Wood preservation, to Subcommittee B/515/2, Specifications and chemical testing for wood preservatives, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled 'International Standards Correspondence Index', or by using the 'Find' facility of the BSI Standards Electronic Catalogue.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, the EN title page, pages 2 to 8, an inside back cover and a back cover.

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 February 1998

English version

Wood preservatives — Creosote and creosoted timber —
Methods of sampling and analysis — Part 3: Determination of the
benzo[*a*]pyrene content of creosote

Produits de préservation du bois — Créosote et
bois créosoté — Méthodes d'échantillonnage et
d'analyse — Partie 3: Détermination de la teneur en
benzo[*a*]pyrène dans la créosote

Holzschutzmittel — Teerimprägnieröl und damit
imprägniertes Holz — Probenahmen und Analyse —
Teil 3: Bestimmung des Gehaltes an benzo[*a*]pyren
in Teerimprägnieröl

This European Standard was approved by CEN on 1997-07-18. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
