

Sampling and testing carbon black for use in the rubber industry

Part 20. Method for evaluation in styrene-butadiene rubbers

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Plastics and Rubber Standards Policy Committee (PRM/-) to Technical Committee PRM/53, upon which the following body was represented:

British Rubber Manufacturers' Association

This British Standard, having been prepared under the direction of the Plastics and Rubber Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 December 1992
