The European Standard EN 1275:2005 has the status of a
British Standard

ICS 11.080.20; 71.100.35

National foreword

This British Standard is the official English language version of EN 1275:2005. It supersedes BS EN 1275:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/216, Chemical disinfectants and antiseptics, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
