National foreword

This British Standard is the UK implementation of EN ISO 20345:2011. It supersedes BS EN ISO 20345:2004 which is withdrawn.

National Annex NA (informative) gives guidance on slip resistance in relation to footwear.

The UK participation in its preparation was entrusted to Technical Committee PH/1, Safety, protective and occupational footwear.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
