Sterilization of health care products - Microbiological methods

Part 1: Determination of a population of microorganisms on products

National foreword

This British Standard is the UK implementation of EN ISO 11737-1:2018. It is identical to ISO 11737-1:2018. It supersedes BS EN ISO 11737-1:2006, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/198, Sterilization and Associated Equipment and Processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
