National foreword

This British Standard is the UK implementation of EN 50272-1:2010. It supersedes BS 6132:1983 and BS 6133:1995, which will be withdrawn on 1 October 2011.

The UK participation in its preparation was entrusted to Technical Committee PEL/21, Secondary cells and batteries.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
