**Metallic and other inorganic coatings – Method for  
quantitative measurement of adhesion by tensile test**

---

## National foreword

This British Standard is the UK implementation of EN 13144:2018. It supersedes BS EN 13144:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/33, Electrodeposited and related coatings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
