

# Leather — Physical and mechanical tests — Determination of flex resistance by the vamp flex method

The European Standard EN 13335:2002 has the status of a British Standard

ICS 59.140.30

## National foreword

This British Standard is the official English language version of EN 13335:2002

The UK participation in its preparation was entrusted to Technical Committee TCI/69, Footwear and leather, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
