

Cryogenic vessels — Static vacuum insulated vessels —

Part 2: Design, fabrication, inspection and testing

The European Standard EN 13458-2:2002 has the status of a
British Standard

ICS 23.020.40

Confirmed
March 2008

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 13458-2:2002, incorporating Corrigendum August 2006.

The start and finish of text introduced or altered by CEN corrigendum August 2006 is indicated in the text by tags AC1 AC1.

The UK participation in its preparation was entrusted to Technical Committee PVE/18, Cryogenic vessels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot of itself confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Engineering Sector Policy and Strategy Committee, was published under the authority of the Standards Policy and Strategy Committee on 29 November 2002

Amendments issued since publication

Amd. No.	Date	Comments
16823 Corrigendum No. 1	29 December 2006	See national foreword

English version

Cryogenic vessels - Static vacuum insulated vessels - Part 2: Design, fabrication, inspection and testing

Réceptifs cryogéniques - Réceptifs fixes isolés sous vide
- Partie 2: Conception, fabrication, inspection et essais

Kryo-Behälter - Ortsfeste vakuum-isolierte Behälter - Teil 2:
Bemessung, Herstellung und Prüfung

This European Standard was approved by CEN on 12 August 2002.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
