Tanks for transport of dangerous goods — Terminology

National foreword

This British Standard is the UK implementation of EN 14564:2019. It supersedes BS EN 14564:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AUE/18, Tanks for the transport of dangerous goods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
