

BSI Standards Publication

Performance of portable locating leak detectors and of fixed gas detectors for all refrigerants

National foreword

This British Standard is the UK implementation of EN 14624:2020. It supersedes BS EN 14624:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/18, Refrigeration safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
