National foreword

This British Standard is the UK implementation of EN 14982:2006+A1:2010. It supersedes BS EN 14982:2006 which is withdrawn. This test method is anticipated to replace Appendix F of BS 7158 at its next revision.

The start and finish of text introduced or altered by amendment is indicated in the text by tags. Tags indicating changes to CEN text carry the number of the CEN amendment. For example, text altered by CEN amendment A1 is indicated by **A1** **A1**.

The UK participation in its preparation was entrusted by Technical Committee PRI/88, Plastics piping for non-pressure applications, to Subcommittee PRI/88/1, Ancillary components for plastic piping systems.

A list of organizations represented on PRI/88/1 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2006
