**Equipment for distributing fertilizers — Test methods —
Part 1: Full width fertilizer distributors**

Matériels de distribution des fertilisants — Méthodes d'essai — Partie 1: Distributeurs d'engrais en nappe

Second edition — 1985-12-01

UDC 631.333.5

Ref. No. ISO 5690/1-1985 (E)

Descriptors : agricultural machinery, soil working equipment, fertilizer distributors, tests, testing conditions, test results.

Price based on 14 pages

Foreword

ISO (the International Organization for Standardization) is a worldwide federation of national standards bodies (ISO member bodies). The work of preparing International Standards is normally carried out through ISO technical committees. Each member body interested in a subject for which a technical committee has been established has the right to be represented on that committee. International organizations, governmental and non-governmental, in liaison with ISO, also take part in the work.

Draft International Standards adopted by the technical committees are circulated to the member bodies for approval before their acceptance as International Standards by the ISO Council. They are approved in accordance with ISO procedures requiring at least 75 % approval by the member bodies voting.

International Standard ISO 5690/1 was prepared by Technical Committee ISO/TC 23, *Tractors and machinery for agriculture and forestry*.

This second edition cancels and replaces the first edition (ISO 5690/1-1982) annex A of which has been revised technically.

Users should note that all International Standards undergo revision from time to time and that any reference made herein to any other International Standard implies its latest edition, unless otherwise stated.

Contents

	Page
0 Introduction	1
1 Scope and field of application	1
2 References	1
3 Definitions	1
4 General test conditions	1
5 Mandatory tests	2
6 Results	4
7 Test report	5
Figures (1 to 4)	6, 7
Annexes	
A Determination of physical properties of fertilizers	8
B Optional tests	9
C Example of a test report on a full width fertilizer distributor	10
