

SURFACE VEHICLE STANDARD	J567	FEB2015
	Issued	1915-08
	Stabilized	2015-02
Superseding J567 MAY2010		
Light Source Retention System		

RATIONALE

The standard deals with bulb retention systems for bulbs that are no longer subject to technical changes.

STABILIZED NOTICE

This document has been declared "Stabilized" by the SAE Lighting Standard Practices Committee and will no longer be subjected to periodic reviews for currency. Users are responsible for verifying references and continued suitability of technical requirements. Newer technology may exist.

SAE Technical Standards Board Rules provide that: "This report is published by SAE to advance the state of technical and engineering sciences. The use of this report is entirely voluntary, and its applicability and suitability for any particular use, including any patent infringement arising therefrom, is the sole responsibility of the user."

SAE reviews each technical report at least every five years at which time it may be revised, reaffirmed, stabilized, or cancelled. SAE invites your written comments and suggestions.
