

Metallic and other non-organic coatings
Sulfur dioxide test: with general condensation of moisture
(ISO 6988:1985)
English version of DIN EN ISO 6988

DIN
EN ISO 6988

ISO 6988:1985; 25.270.41

Descriptors: Metal coatings; non-organic coatings; sulfur dioxide; corrosion testing.

Metalle und andere anorganische Überzüge - Prüfung mit Schwefeldioxid unter allgemeiner Feuchtigkeitskondensation (ISO 6988:1985)

This standard, together with
DIN EN ISO 6989, March 1997 edition,
supersedes January 1985 edition.

European Standard EN ISO 6988: 1994 has the status of a DIN Standard.

A comma is used as the decimal marker.

National foreword

This standard has been published in accordance with a decision taken by CEN/TC 262 to adopt, without alteration, International Standard ISO 6988 as a European Standard.

The responsible German body involved in its preparation was Technical Committee Kommission und Kommissionsrat of the Montanwissenschaftlichen Materialprüfung (Materials Testing Standards Committee).

It should be noted that the previous edition of DIN 50315 has been superseded by a revised edition, issued in March 1997, in which exposure conditions are covered that are relevant to the German market but have not been dealt with in the present standard.

Amendments

In comparison with DIN EN ISO 6988, January 1995 edition, the superseding note has been amended.

Previous edition

DIN EN ISO 6988: 1995-01.

EN comprises 7 pages.

ICS 25 220 35; 25 221 40

Descriptors: Metal coatings, non-organic coatings, sulfur dioxide, corrosion testing.

English version

Metallic and other non-organic coatings
Sulfur dioxide test with general condensation of moisture
(ISO 6988: 1985)

C revêtements métalliques et autres revêtements non organiques – Essai au dioxyde de soufre avec condensation générale de l'humidité (ISO 6988: 1985)

Metalische und andere anorganische Überzüge – Prüfung mit Schwefeldioxid unter allgemeiner Feuchtkondensationskonzentration (ISO 6988: 1985)

The European Standard was approved by CEN on 1994-10-26 and is identical to the ISO Standard as referred to.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations, which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.
