

# Cheese and processed cheese — Determination of the total solids content (Reference method)

The European Standard EN ISO 5534:2004 has the status of a  
British Standard

ICS 67.100.30

## National foreword

This British Standard is the official English language version of EN ISO 5534:2004. It is identical with ISO 5534:2004. It supersedes BS 770-10:1986 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/5, Milk and milk products, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
