**National foreword**

This British Standard is the UK implementation of EN ISO 6272-1:2011. It supersedes BS EN ISO 6272-1:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/10, Test methods for paints.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
