Gas welding equipment — Marking for equipment used for gas welding, cutting and allied processes

National foreword

This British Standard is the UK implementation of EN ISO 10225:2021. It is identical to ISO 10225:2013. It supersedes BS ISO 10225:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/18, Gas welding and cutting appliances.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
