

BSI Standards Publication

# Additive manufacturing — General principles — Part positioning, coordinates and orientation

---

## National foreword

This British Standard is the UK implementation of EN ISO 17295:2023. It is identical to ISO 17295:2023. It supersedes BS EN ISO/ASTM 52921:2016, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AMT/8, Additive manufacturing.

A list of organizations represented on this committee can be obtained on request to its committee manager.

### Contractual and legal considerations

This publication has been prepared in good faith, however no representation, warranty, assurance or undertaking (express or implied) is or will be made, and no responsibility or liability is or will be accepted by BSI in relation to the adequacy, accuracy, completeness or reasonableness of this publication. All and any such responsibility and liability is expressly disclaimed to the full extent permitted by the law.

This publication is provided as is, and is to be used at the recipient's own risk.

The recipient is advised to consider seeking professional guidance with respect to its use of this publication.

This publication is not intended to constitute a contract. Users are responsible for its correct application.

Supersedes EN ISO/ASTM 52921:2016

English Version

## Additive manufacturing - General principles - Part positioning, coordinates and orientation (ISO 17295:2023)

Fabrication additive - Principes généraux -  
Positionnement, coordonnées et orientation de la pièce  
(ISO 17295:2023)

Additive Fertigung - Grundlagen - Positionierung,  
Koordinaten und Ausrichtung des Bauteils (ISO  
17295:2023)

This European Standard was approved by CEN on 17 January 2023.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Türkiye and United Kingdom.
