

# **Resilient floor coverings — Determination of overall thickness**

The European Standard EN 428:1993 has the status of a  
British Standard

UDC 698.7:692.535.6:645.13:620.1:531.717.11

## Cooperating organizations

The European Committee for Standardization (CEN), under whose supervision this European Standard was prepared, comprises the national standards organizations of the following countries:

|                |  |
|----------------|--|
| Austria        | Oesterreichisches Normungsinstitut                   |
| Belgium        | Institut belge de normalisation                      |
| Denmark        | Dansk Standardiseringsraad                           |
| Finland        | Suomen Standardisoimisliito, r.y.                    |
| France         | Association française de normalisation               |
| Germany        | Deutsches Institut für Normung e.V.                  |
| Greece         | Hellenic Organization for Standardization            |
| Iceland        | Technological Institute of Iceland                   |
| Ireland        | National Standards Authority of Ireland              |
| Italy          | Ente Nazionale Italiano di Unificazione              |
| Luxembourg     | Inspection du Travail et des Mines                   |
| Netherlands    | Nederlands Normalisatie-instituut                    |
| Norway         | Norges Standardiseringsforbund                       |
| Portugal       | Instituto Portuguès da Qualidade                     |
| Spain          | Asociación Española de Normalización y Certificación |
| Sweden         | Standardiseringskommissionen i Sverige               |
| Switzerland    | Association suisse de normalisation                  |
| United Kingdom | British Standards Institution                        |

This British Standard, having been prepared under the direction of the Plastics and Rubber Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 November 1993
