High-pressure decorative laminates (HPL) - Sheets based on thermosetting resins (usually called laminates)

Part 8: Classification and specifications for design laminates

National foreword

This British Standard is the UK implementation of EN 438-8:2018. It supersedes BS EN 438-8:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/76, Laminated sheet for decorative purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
