

Refrigerated display cabinets

Part 12. Measurement of the heat extraction rate of the cabinets when the condensing unit is remote from the cabinet

The European Standard EN 441-12 : 1997 has the status of a
British Standard

ICS 97.130

National foreword

This British Standard is the English language version of EN 441-12 : 1997.

The UK participation in its preparation was entrusted to Technical Committee RHE/19, Commercial refrigerated food cabinets (cold rooms and display cases), which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the British Standards Catalogue under the section entitled 'International Standards Correspondence Index', or by using the 'Find' facility of the BSI Standards Electronic Catalogue.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 October 1997

ICS 97.130

Descriptors: Furniture, refrigerators, food preservation, food storage, commerce, tests, testing conditions, power measurements, calorific power

English version

Refrigerated display cabinets —
Part 12: Measurement of the heat extraction rate of the cabinets
when the condensing unit is remote from the cabinet

Meubles frigorifiques de vente —
Partie 12: Mesure de la puissance frigorifique utile
des meubles dont le groupe de condensation est
séparé du meuble

Verkaufskühlmöbel —
Teil 12: Messung der Kälteleistung für Kühlmöbel
mit getrennt aufgestelltem Verflüssigungssatz

This European Standard was approved by CEN on 1997-04-26. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
