National foreword

This British Standard is the official English language version of EN 681-2:2000, including amendments A1:2002 and A2:2005. Together with BS EN 682:2002, this publication supersedes BS 2494:1990 which is withdrawn.

The start and finish of text introduced or altered by amendment is indicated in the text by tags \square_{A1} $\langle A1 \rangle$. Tags indicating changes to CEN text carry the number of the CEN amendment. For example, text altered by CEN amendment A1 is indicated by \square_{A1} $\langle A1 \rangle$.

The UK participation in its preparation was entrusted to Technical Committee PRI/70, Elastomeric seals, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
