

BSI Standards Publication

Furniture - Children's cots and folding cots for domestic use

Part 1: Safety requirements

National foreword

This British Standard is the UK implementation of EN 716-1:2017, incorporating corrigendum March 2019. It supersedes BS EN 716-1:2008+A1:2013, which is withdrawn.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by CEN corrigendum March 2019 is indicated in the text by AC AC.

The UK participation in its preparation was entrusted to Technical Committee CW/1, Safety of child use and child care products.

A list of organizations represented on this committee can be obtained on request to its secretary.

Attention is drawn to the fact that the UK committee is of the opinion that the inclusion of a requirement for a movable side (dropside) to automatically lock when in its lowest position would increase the risk of injury and death to a child in the cot. This is because it is more likely a dropside with such a lock may be left in the lowered position during use of the item.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Furniture - Children's cots and folding cots for domestic use - Part 1: Safety requirements

Mobilier - Lits à nacelle fixes et pliants à usage domestique pour enfants - Partie 1: Exigences de sécurité

Möbel - Kinderbetten und Reisekinderbetten für den Wohnbereich - Teil 1: Sicherheitstechnische Anforderungen

This European Standard was approved by CEN on 27 February 2017 and includes the Corrigendum issued by CEN on 6 March 2019.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.
