

Gymnastic equipment — Asymmetric bars — Requirements and test methods including safety

ICS 97.220.30

National foreword

This British Standard is the UK implementation of EN 915:2008. It supersedes BS EN 915:1996 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SW/136/22, Gymnasium and playing field equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2009.

English Version

Gymnastic equipment - Asymmetric bars - Requirements and test methods including safety

Matériel de gymnastique - Barres asymétriques - Exigences et méthodes d'essai y compris la sécurité

Turngeräte - Stufenbarren - Anforderungen und Prüfverfahren einschließlich Sicherheit

This European Standard was approved by CEN on 27 September 2008.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
