### National foreword

This British Standard is the UK implementation of EN 2794-001:2014. It supersedes BS EN 2794-001:1999 which is withdrawn.

The CEN Correction Notice 12 February 2014 provided a revised English language text, incorporating the following editorial corrections:

- part of the text in the Tests column of Table 3 has been reinserted
- sub clause 7.3 has been corrected
- the layout in Table 7 has been amended.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
