**National Foreword**

This British Standard is the UK implementation of EN 15221-6:2011. It partially supersedes BS 7641:1993 (ISO 9836:1992).

The UK participation in its preparation was entrusted to Technical Committee FMW/1, Facilities management.

This Standard has been drafted in the context of Facilities Management. However, to assist the user in understanding the differences between this standard and the Royal Institution of Chartered Surveyors' Code of Practice, guidance is provided in National Annex NA.

A list of organizations represented on this committee can be obtained on request to its secretary.
