National foreword

This British Standard is the UK implementation of EN 60368-3:2010. It is identical to IEC 60368-3:2010. It supersedes BS EN 60368-3:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/49, Piezoelectric devices for frequency control and selection.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
