National foreword

This British Standard is the UK implementation of EN 60669-2-6:2012. It was derived from IEC 60669-2-6:2012. It supersedes BS EN 50425:2008, which will be withdrawn on 22 February 2015.

The UK participation in its preparation was entrusted to Technical Committee PEL/23, Electrical accessories.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
