### National foreword

This British Standard is the UK implementation of EN 60745-2-17:2010. It was derived by CENELEC from IEC 60745-2-17:2010. It supersedes BS EN 60745-2-17:2003, which will be withdrawn on 1 September 2013.

The CENELEC common modifications have been implemented at the appropriate places in the text. The start and finish of each common modification is indicated in the text by tags **[C]** **[C]**.

The UK participation in its preparation was entrusted to Technical Committee CPL/116, Portable motor-operated tools.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
