

BSI Standards Publication

Standard data element types with associated classification scheme

Part 1: Definitions — Principles and methods

National foreword

This British Standard is the UK implementation of EN 61360-1:2017. It is identical to IEC 61360-1:2017. It supersedes BS EN 61360-1:2010, which will be withdrawn on 20 December 2020.

The UK participation in its preparation was entrusted to Technical Committee GEL/3, Documentation and graphical symbols.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
