**National foreword**

This British Standard is the UK implementation of EN 61850-7-4:2010. It is identical to IEC 61850-7-4:2010. It supersedes BS EN 61850-7-4:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/57, Power systems management and associated information exchange.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
