Devices for the connection of luminaires for household and similar purposes

Part 1: General requirements

National foreword

This British Standard is the UK implementation of EN 61995-1:2008, including amendment A1:2017. It is identical to IEC 61995-1:2008, including amendment A1:2016. It supersedes BS EN 61995-1:2008, which will be withdrawn on 21 April 2020.

The text of IEC amendment A1:2016 has been provided in its entirety at the beginning of this document. BSI's policy of providing consolidated content remains unchanged; however, in the interest of expediency, in this instance BSI have chosen to collate the relevant content at the beginning of this document.

The CENELEC common modifications have been implemented at the appropriate places in the text. The start and finish of each common modification is indicated in the text by tags **[C]** **[C]**.

The UK participation in its preparation was entrusted to Technical Committee PEL/23, Electrical accessories.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
