## Committees responsible for this **British Standard**

The preparation of this British Standard was entrusted to Technical Committee ACE/6, Aerospace avionic, electrical and fibre-optic technology, upon which the following bodies were represented:

**British Airways** British Cable Makers' Confederation British Rubber Manufacturers' Association Civil Aviation Authority (Airworthiness Division) Federation of the Electronics Industry Ministry of Defence Society of British Aerospace Companies Ltd. Coopted members

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standard Board and comes into effect on 15 December 1995
