

BSI Standards Publication

Multicore and symmetrical pair/quad cables for digital communications

Part 1-4: Assessment of conductor heating in bundled cables due to the deployment of remote powering

National foreword

This British Standard is the UK implementation of IEC 61156-1-4:2018. It supersedes DD IEC/PAS 61156-1-4:2010, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/46, Cables, wires and waveguides, radio frequency connectors and accessories for communication and signalling.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
