

BSI Standards Publication

Identification cards — Recording technique

Part 7: Magnetic stripe: High coercivity, high density

National foreword

This British Standard is the UK implementation of ISO/IEC 7811-7:2018. It supersedes BS ISO/IEC 7811-7:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/17, Cards and security devices for personal identification.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
