

BS ISO/IEC 9075-1:2016  
Incorporating corrigendum June 2022

BSI Standards Publication

# Information technology — Database languages — SQL

---

Part 1: Framework (SQL/Framework)

## National foreword

This British Standard is the UK implementation of ISO/IEC 9075-1:2016, incorporating corrigendum June 2022. It supersedes BS ISO/IEC 9075 1-4 and 9-11 and 13-14 which are withdrawn.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by IEC corrigendum June 2022 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted to Technical Committee IST/40, Data management and interchange.

A list of organizations represented on this committee can be obtained on request to its committee manager.

### Contractual and legal considerations

This publication has been prepared in good faith, however no representation, warranty, assurance or undertaking (express or implied) is or will be made, and no responsibility or liability is or will be accepted by BSI in relation to the adequacy, accuracy, completeness or reasonableness of this publication. All and any such responsibility and liability is expressly disclaimed to the full extent permitted by the law.

This publication is provided as is, and is to be used at the recipient's own risk.

The recipient is advised to consider seeking professional guidance with respect to its use of this publication.

This publication is not intended to constitute a contract. Users are responsible for its correct application.
