Information technology — Open systems interconnection

Part 9: The Directory: Replication

National foreword

This British Standard is the UK implementation of ISO/IEC 9594-9:2020. It supersedes BS ISO/IEC 9594-9:2017, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/6, Data communications.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
