# Information technology — Automatic identification and data capture techniques — Unique identification

---

Part 4: Individual products and product packages

## National foreword

This British Standard is the UK implementation of ISO/IEC 15459-4:2014. It supersedes BS ISO/IEC 15459-4:2006, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/34, Automatic identification and data capture techniques.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
