

BSI Standards Publication

## **Rubber, vulcanized or thermoplastic — Determination of hardness**

---

Part 6: Apparent hardness of rubber-covered rollers by IRHD method

## National foreword

This British Standard is the UK implementation of ISO 48-6:2018. It supersedes [BS ISO 7267-1:2017](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/22, Testing and analysis of rubber.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
