Ships and marine technology — Pilot ladders

Part 1: Design and specification

National foreword

This British Standard is the UK implementation of [ISO 799-1:2019](#). It supersedes [BS ISO 799:2004](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SME/32, Ships and marine technology - Steering committee.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
