National foreword

This British Standard is the UK implementation of ISO 3302-1:2014. It supersedes BS 3734-1:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/73, Industrial rubber products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
