

BSI Standards Publication

Fasteners — Mechanical properties of corrosion-resistant stainless steel fasteners

Part 5: Special fasteners (also including fasteners from nickel alloys) for high temperature applications

National foreword

This British Standard is the UK implementation of [ISO 3506-5:2022](#).

The UK participation in its preparation was entrusted to Technical Committee FME/9, Fasteners.

A list of organizations represented on this committee can be obtained on request to its committee manager.

Contractual and legal considerations
