

Milk and milk products — Determination of residues of organochlorine compounds (pesticides)

**Part 1: General considerations and
extraction methods**

ICS 67.100.01

National foreword

This British Standard is the UK implementation of ISO 3890-1:2009. It supersedes BS ISO 3890-1:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/5, Chemical analysis of milk and milk products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 March 2010
