Thermoplastics pipes — Universal wall thickness table

National foreword

This British Standard is the UK implementation of ISO 4065:2018. It supersedes BS ISO 4065:1996, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/88, Plastics piping systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
