

BSI Standards Publication

Straight cylindrical involute splines — Metric module, side fit

Part 1: Generalities

National foreword

This British Standard is the UK implementation of ISO 4156-1:2021. It supersedes BS ISO 4156-1:2005, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/5, Gears.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
