BSI Standards Publication

Fluid power connectors and associated components — Nominal outside diameters of tubes and nominal hose sizes

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 4397:2011.

The UK participation in its preparation was entrusted to Technical Committee MCE/18/-/4, Connectors and associated components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
